Dated: 27-10-2026

NOTICE

It is notified for the information of all 1st semester students of Environmental Science that a significant number of students have been found deficient in attendance in several subjects. It is pertinent to mention that 75% attendance record is mandatory for being eligible to appear in the examinations.

Accordingly, all concerned students are hereby directed to attend classes regularly and ensure that the shortfall in their attendance is compensated for being eligible to appear in the upcoming end term examination.
