**Department of Environmental Science**  
**University of Kashmir**  
**Hazratbal Srinagar -190006**

Accredited FAE (WP&EB)

No: Lib/-Comp/ENVSC/KU-24

Dated: 9-9-2024

## Notice

It is impressed and enjoined upon all PG Students and Research Scholars of Environmental Science to make full use of the Departmental Library and Computer lab. These facilities are available to support your academic and research activities, providing a range of resources and tools to facilitate your studies and research endeavors. The library offers a wealth of books, journals, manuals, Monographs and other reference material relevant to Environmental Science and various thrust areas of research being pursued in the Department and the Library will preferably be open in second half of each working day except during seminar presentations. The common computer lab is equipped with up-to-date software like ArcGIS and MODFLOW and hardware to assist with your academic requirements, coursework and research projects/ dissertations especially for those underprivileged who cannot afford their own laptop. I hope students and research scholars will take advantage of these resources to enhance their learning experience and contribute to their academic and research success.

A handwritten signature in blue ink, appearing to read 'Sami Ullah Bhat'.
