

**Department of Environmental Science
University of Kashmir**

Project topics of semester 4th

Name	Enrollment number	Tentative Topic	Supervisor
Sohail Moahammad Mir	20063120001	Farmers perception on pesticide use patterns in Apple orchards of District Baramulla	Prof. Fayaz Ahmad
Zubair Hassan	20063120002	Inventory and water quality of springs of Budgam District	Dr. Sami Ullah Bhat
Irtiza Farooq	20063120003	Study of physico-chemical characteristics of road side soil along altitudinal gradient of Gulmarg area	Dr. Arshid Jehangir
Zahid Ahmad Wani	20063120004	Geospatial approach for combining hazard, vulnerability and risk for better flood risk management of District Kulgam, Kashmir division	Dr. Mohammad Muslim
Afreen Khurshid	20063120005	Inventory and water quality of springs of Srinagar District	Dr. Sami Ullah Bhat
Salman Sahil Shah	20063120006	Environmental Awareness, Attitude and Behavior among college students of District Kupwara	Dr. Moieza Ashraf
Amir Yousuf	20063120007	Early snowfall breakout in District Shio pian: A socioeconomic perspective	Dr. Mohammad Irshad
Saika	20063120008	Health impact assessment of residents living near Achan Landfill site	Dr. Shamsul Haq
Aqsa Shanawaz	2006310009	Environmental Awareness, Attitude and Behavior among college students of District Shopian and District Pulwama	Prof. Fayaz Ahmad
Rutba Tanveer Mir	20063120010	Inventory and water quality of springs of Srinagar District	Dr. Sami Ullah Bhat
Ifra mehraj	20063120011	Study of physico-chemical characteristics of road side soil along altitudinal gradient of Sinthan Top	Dr. Arshid Jehangir
Midhat shabir	20063120012	Soil moisture estimation using active passive remote sensing in Kashmir valley	Dr. Mohammad Muslim
Huma Khurshid Wani	20063120013	Inventory and water quality of springs of Srinagar District	Dr Sami Ullah Bhat
Mehnaz Mushtaq	20063120014	Occupational health risk among selected cement factory workers in Khrew area	Dr. Moieza Ashraf
Shahnaza Akhter	20063120015	Understanding food waste behavior among students of Kashmir University: Role of attitude, morals and knowledge.	Dr. Mohammad Irshad
Muzafar Ahmad Mir	20063120016	Carbon sequestration potential of different social forestry plantation in District Kulgam	Dr. Shamsul Haq
Tasleema Rashid	20063120017	Occupational hazards and health problems among sawmill workers in District Pulwama	Prof. Fayaz Ahmad
Waqar Ahmed Bhatii	20063120018	Inventory and water quality of springs of Budgam District	Dr. Sami Ullah Bhat
Nabeel Naqati	20063120019	Assessment of traffic noise exposure levels along the national highway in Srinagar city	Dr. Arshid Jehangir

**Department of Environmental Science
University of Kashmir**

Project topics of semester 4th

Raashid Ahmad Wani	20063120021	Remote sensing image based analysis of urban heat island effect in selected towns in Kashmir region	Dr. Mohammad Muslim
Nazish Fatima	20063120022	Inventory and water quality of springs of Srinagar District	Dr. Sami Ullah Bhat
Asra Assad	20063120023	People's perception on conversion of agriculture land: A case study of District Ganderbal	Dr. Moieza Ashraf
Asif Fayaz	20063120024	Periphyton dynamics along different landuse landcover of Rohmshi stream: A left bank tributary of river Jehlum	Dr. Mohammad Irshad
Mehpara Yousuf	20063120026	Assessment of soil characteristics along the altitudinal gradients in mountain landscapes of District Kupwara	Dr. Shamsul Haq
Misbah Bilal	20063120027	Farmers perception on pesticide use patterns in Apple orchards of District Kulgam	Prof. Fayaz Ahmad
Batch 2019 Backlog			
Jehangir Nabi	19063120009	A study of drivers of saffron production decline and its impact on saffron growers of Tehsil Pampore	Prof. Fayaz Ahmad
