

DEPARTMENT OF ENVIRONMENTAL SCIENCE

SCHOOL OF EARTH & ENVIRONMENTAL SCIENCES

UNIVERSITY OF KASHMIR,

Hazratbal, Srinagar-190006, Kashmir, J&k

NOTES

Minutes of the Board of Under Graduate Studies Meeting of Environmental Science

BOUGS (Environmental Science) was held in the library cum seminar hall of the Department of Environmental Science from 11:00 am onwards on 13/04/2026 to discuss and frame skill course syllabus of Environmental Science titled **“Water Quality Monitoring & Testing and Waste Management”** in light of the NEP 2020. The following members were present in the meeting:

Dr. Sami Ullah Bhat	Convener
Dr. Arshid Jehangir	Member from Department
Dr. Mohammad Muslim	Member from Department
Dr. Irfan Rashid	Member from University Department
Prof. Javeed Iqbal Bhat	Member from other Institution
Dr. Showkat Subhan Mir	Member from College
Dr. Mubashir Jeelani	Member from other Institution
Dr. Asia Nazir Khan	Member from other Institution
Dr. Shazia Lone	Member from College
Dr. Naseer Ahmad	Member from College
Dr. Aadil Hamid	Member from College
Dr. Aabid Hussain Mir	Member from College

At the outset the Chairperson gave an overview of need for incorporation of skill enhancement courses in Environmental Science keeping in view the demand of students & requests from few colleges of Kashmir. Then the agenda of the meeting that is finalizing the curriculum of skill enhancement courses was put forth before the committee for discussion & deliberation.

The members of Board of Under Graduate Studies had a thorough discussion on need for a comprehensive curriculum structure of skill enhancement course viz **“Water Quality Monitoring & Testing and Waste Management”** in Environmental Science at the undergraduate level that should capture the essence & spirit of NEP2020 & skill India mission. There was enough discussion on the quality, relevance & marketability as a whole of the curriculum in light of the challenges the society is facing. Further, the ladder and the hierarchy of the curriculum structure in different semesters were also discussed at length. The inputs and feedback from the Higher Education Institutions has been given a due care and attention during framing of this curriculum.

After threadbare discussion, two skill course syllabus of Environmental Science titled **“Water Quality Monitoring & Testing and Waste Management” 2 credits each** & have been approved by BOUGS of Environmental Science.
